Desserts are on the board courtesy of Susi's Kitchen in Woodbridge...if you have any allergies or aversions please tell us as we cannot guarantee there will not be traces of deliciousness like nuts, dairy, & gluten...and finally, if there is anything wrong please let us know immediately as mistakes cannot be rectified if the evidence has been eaten. We are a local pub who welcomes everyone – kids, dogs, llamas, et al. If anyone's behaviour (two legs or four of any age) is annoying you, please talk to us.

Our food is sourced as locally and organically as is possible. We make everything ourselves, unless we have found someone who does it better – the puddings for example – and therefore please be gentle with us. It is not fast food. If you are in a hurry, or starving, let us know and we will do what we can. Remember, it is the season of goodwill to all men and women and bar staff and their customers. May all your dreams come true in 2017. Live long and prosper
