Valentine's Day MENU 2017

Some very bad puns and rather rude innuendo, that's the way we do Valentine's at the Hart. To numb the pain, please accept a Champagne Cocktail on us to start the evening off nicely...

First Dates...

Prawn and Passion Fruit Cocktail – flavoured with lime, basil and mango

Cock-a-Leekie Soup – need we say more...

Figs with Charcuterie – the Ancient Greeks had a celebration for figs that involved a frenzied copulation ritual; feel free to try it but don't ask us to demonstrate.

Scallops, Black Pudding & Mustard Greens – in Smithfield Market, black puddings are called Linford Christies (think about it)...

Smoked Salmon with Cod's Roe Caviar , Vodka and Sour Cream – caviar and salmon both have high levels of zinc that increases male potency...

Colchester Oysters – well, we couldn't not have the ultimate aphrodisiac on the menu could we? £12 for a platter of 6 fat, juicy rock lobster with lemon and some warm bread. Try them with a glass of Amontilado Sherry for another £5 for two...

Cutting to the Chase...

Breast – of chicken, stuffed with basil and sun dried tomatoes, wrapped in serrano ham and served with green beans and a side of skinny fries...

Dearest Deer – rich, unctious Venison Casserole, served with Boursin Mash Potato...

Parfait Amour, me Duck – as the Lincolnshire farmer said to the French Maid. Pan fried duck breast with orange liqueur and cardamom sauce, wilted spinach and some skinny French fries...

My Plaice? - a thick fillet pan fried with crayfish, served with champagne sauce and skinny fries.

Wild Mushroom Risotto with Truffle Oil – the bridegroom should gorge himself on the truffles of Alba during the wedding feast to sustain his masculinity for the night ahead, according to ancient Italian lore...

Sweets for my Sweet...

Spotted Dick – dribbled with cream...

Le Petit Mort – orgasmic chocolate Marquise.

Banana Split – phallic fruit, ice cream balls, squirty cream, chocolate sprinkles...

Panna Cotta – according to the Italians, a panna cotta should wobble like a woman's breast... they don't specify age or shape... served with a raspberry nipple.

A Date with Cheese – sums up the whole evening really.

Two Courses, **£17**, Three Courses **£20** (including VAT but not service, for which we rely on your favour...)

Please ask for our range of coffees and digestifs...and check the boards for non-Valentine related specials. Some people may not be romantic old fools like us...
