See the board for our Dessert Menu, courtesy of Susi's Kitchen in Woodbridge. Please be aware that we only have one cheffess... she goes as fast as she can. If you are in a hurry please let us know as it can be a long wait if we are very busy. If you have any allergies or intolerances please ask for more information at the bar... on the subject of intolerances, we are a local pub who welcomes everyone – kids, dogs, llamas, et al. If anyone's behaviour (two legs or four of any age) is worrying you, please talk to us whilst we can still do something about it...

VAT is included at 20%... service is not, as we are a pub not a restaurant, however on parties of six or more, which stymie the kitchen, please may we add a discretionary 10% to your bill?

**Our two resident hounds, Ava and Stinky Stan, (plus any of their visiting doggy friends) are usually very well behaved. Please, please don't encourage them to beg at the table, or feed them. They do actually get fed, despite trying to convince you otherwise and they will get very fat! If they are being a nuisance, please reprimand them and, if they persist, tell us...**

### **The Pub is the Hart of the Village...**

**\*The small is for very little people or very old people... and is cut up accordingly.**
